PLEASE READ THE FOLLOWING LICENSE AGREEMENT AND EXPORT RESTRICTIONS BEFORE DOWNLOADING AND USING THE SOFTWARE.

The various software programs (Software) contained herein are licensed to you (USER) under the terms of the appropriate license agreements and restrictions which are set forth herein or which are included within the software or documentation. By using the software, USER accepts and agrees to such terms.

Signify acceptance of this license by pressing the "I accept the License Terms and Export Restrictions" prior to downloading the 30 day trial, or purchasing an activation key, or downloading the free responder software acknowledges the USER's agreement to comply with each of the following license and export restrictions with respect to the Software (as defined below).

EXPORT CONTROLS ON THE SOFTWARE:

USER agrees to comply fully with all laws and regulations of the United States and other countries ("Export Laws") to assure that neither the Software, nor any direct products thereof are exported, directly or indirectly, in violation of Export Laws, or are used for any purpose prohibited by Export Laws, including, without limitation, nuclear, chemical, or biological weapons proliferation.

Purchasing the product or downloading the 30 day trial of the software acknowledges USER's agreement to comply with each of the following export restriction statements :

USER is not a citizen, national, or resident of, and am not under control of, the government of Cuba, Iran, Sudan, Iraq, Libya, North Korea, Syria, nor any country to which the United States has prohibited export.

USER will not download or otherwise export or re-export the Software, directly or indirectly, to the above mentioned countries nor to citizens, nationals or residents of the above mentioned countries.

USER is not listed on the United States Department of Treasury lists of Specially Designated Nationals, Specially Designated Terrorists, and Specially Designated Narcotic Traffickers, nor is USER listed on the United States Department of Commerce Table of Denial Orders.

USER will not download or otherwise export or re-export the Software, directly or indirectly, to persons on the above mentioned lists.

USER will not use the Software for, and will not allow the Software to be used for, any purposes prohibited by United States law, including, without limitation, for the development, design, manufacture or production of nuclear, chemical or biological weapons of mass destruction.

LICENSE:

Cipher grants USER a no-charge trial license to use the fully functional versions of the Software solely for evaluation purposes for a period of 30 days. USER must purchase an activation key to use the fully functional software after the end of the 30-day trial period. Cipher grants USER a no-charge license to use the free responder version of Software.

SINGLE COMPUTER, SINGLE USER LICENSE:

USER may only register the software on a single computer to be used by a single individual, using the unique activation key. USER may not distribute this Product in any form or manner whatsoever. This license permits limited, partial, or full functionality by design. The USER is not able to transfer the license to another computer after registration.

INTELLECTUAL PROPERTY:

The Software is the proprietary product of Cipher and is protected by intellectual property law. USER acquires only the right to use the Software and does not acquire any rights of ownership. USER agrees not to remove any product identification, copyright notices, or other notices or proprietary restrictions from the Software. USER agrees not to cause or permit the reverse engineering, disassembly, or decompilation of the Software. Portions of this software and business methods are subject to United States Patent, pending. All rights are reserved. In addition, the following are Trademarks or Servicemarks of Cipher: a) Cipher Integrations; b) Cipher Secure Link(s); c) Cipher Responder; and d) Cipher Email Encryption Software.

SUGGESTIONS, COMMENTS AND FEEDBACK:

USER agrees that any suggestions, comments and feedback regarding the Software, including but not limited to usability, bug reports and any evaluation comments with respect to any Software testing and evaluation that USER may provide Cipher, USER grants Cipher, under all of USER's intellectual property and proprietary rights worldwide, non-exclusive, perpetual, irrevocable, royalty free, fully paid up rights to make, use, copy, modify, and create derivative works of any suggestions, comments and feedback related to the Software or other Cipher product. Due to the nature of development work, Cipher provides no assurance that any specific errors or discrepancies in the Software will be corrected. Cipher is under no obligation to implement any suggestions, comments and feedback.

WARRANTY DISCLAIMER:

Cipher is providing this license on an "as is" basis without warranty of any kind and disclaims all express and implied warranties, including the implied warranties of merchantability or fitness for a particular purpose.

LIMITATION OF LIABILITY:

Cipher shall not be liable for any damages, including direct, indirect, incidental, special or consequential damages, or damages for loss of profits, revenue, data or data use, incurred by USER or any third party, whether in an action in contract or tort, even if USER or any other person has been advised of the possibility of such damages.

JURISDICTION:

This license agreement and all disputes and suits related thereto shall be governed, construed, and interpreted in accordance with the laws of the State of Florida and the United States of America, as applicable, without regard to conflicts of laws provisions thereof. The sole jurisdiction and venue for all disputes relating to this license agreement shall be the Florida State Courts for the County of Polk or the Federal District Court for the Middle District of Florida, as appropriate, and the Parties hereby consent to the jurisdiction of such courts and waive all venue objections.

INDEMNIFICATION:

USER shall defend, indemnify and hold Cipher harmless from and against any and all claims, injuries, damages, obligations, liabilities, causes of action, judgment or costs including reasonable attorneys' fees, arising out of or in connection with, either directly or indirectly, any act or omission of USER, its officers, employees or its subcontractors in the performance of anything under this license agreement, or any other act or omission by or under the direction of USER or its employees or agents under this license agreement. This indemnification includes, but is not limited to, any intentional, reckless, negligent, fraudulent or criminal act of USER or of any director, officer, employee, agent or third party subcontractors of USER within the scope of this license agreement.

LIMITATIONS FOR DAMAGES:

Under no circumstances shall Cipher be liable to the USER or any third party for any indirect, incidental, consequential, special or exemplary damages even if that part has been advised of the possibility of such damages, arising from any provision of this license agreement such as, but not limited to, loss of revenue or anticipated profit or lost business, costs of delay or failure of deliver, or liabilities to third parties arising from any source whatsoever. Notwithstanding anything else in this license agreement or otherwise, Cipher will not be liable with respect to any subject matter of this license agreement under any contract, negligence, strict liability or other legal or equitable theory for any incidental or consequential damages or lost data, or any matter beyond either Parties reasonable control.

Cipher's total liability to the USER for actual damages for any cause whatsoever is limited to the current retail price of the software in US dollars, or the amount paid by the USER for the software or Product(s) that caused such damage, whichever is less. Cipher's limitations on liability are intended to apply to all warranties, disclaimers, and all other aspects of this license agreement.
